## The essay template

## The essay template

typical, ideal structure of an academic essay

## Prediction

- If an essay is written in a deductive manner, we should be able to capture its outline by only reading the **first** sentence of each of its paragraphs.

→ How true is this?

Example essay

(omitted)

8

## Homework

- Write for high school students a 1-page essay on what you did to pass
  - a) **NU's entrance exam**
  - or
  - b) **A hard course's exam** in the first semester

Consider what is unique to you.
